EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Michael Nornberg on 02/08/2007.

3. Replace claim 3 with the following:

--An optical encoder comprising: a scale having an optical grating; a plurality of photoreceptor elements that are moveable relatively with respect to the scale and that are disposed in relation to a pitch of the optical grating; a light source having a plurality of light emitting elements configured to irradiate the plurality of photoreceptor elements through the scale from different respective directions, wherein ~~a light intensity level~~ an on/off state of each one of the light emitting elements is independently controlled with respect to the other light emitting elements; and a controller configured to adjust the ~~light intensity level~~ on/off state of the plurality of light emitting elements independently with respect to the other light emitting elements; wherein the controller obtains relative-position information with respect to the scale and the plurality of photoreceptor elements based on photoreception signals received by the plurality of photoreceptor elements.--

Allowable Subject Matter

4. Claims 3, and 9-10 are allowed.

Art Unit: 2878

5. The following is an examiner's statement of reasons for allowance:

Regarding claim 3, the prior art fails to disclose or make obvious an optical encoder comprising, in addition to the other recited features of the claim, "a controller configured to adjust the on/off state of the plurality of light emitting elements independently with respect to the other light emitting elements."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin Wyatt whose telephone number is (571)-272-5974. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Georgia Epps can be reached on (571)-272-2328. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
